1005 - 2.4m Trough Slide

Trough Slides are a fun and flexible way to add excitement to any play space. They can be installed on platforms or embankments and customised to suit different heights and layouts. Trough slides support active, confidence-building play and offer great value for any setting. Various finishes can be specified for the underside to complement your design. All slides are made from high-quality stainless steel for lasting durability and performance.
