### 1014 - 1.8m Tunnel Slide

Tunnel Slides are a bold and dynamic feature for any space, ideal for high platforms or passing through multiple levels. With a 760mm diameter, they're suitable for both children and adults, offering a thrilling enclosed slide experience. Made from stainless steel with a dull polished finish, our tunnel slides can include extras like insulation, internal or external lighting, or powder coating to match your brand or colour scheme.
