1021 - 1.5m Half Round Slide

Half Round Slides are a flexible option for embankments or platforms, offering fun, fast sliding with straights, curves, or spirals. Their open design is ideal where shaped routes are needed. The modern curved-side design adds a sleek, contemporary feel. Made from durable stainless steel with tube edging, half round slides can be freestanding or mounted to a structure, with various surface finishes available to suit your design.
